Bowler's Pledge

Participating in youth bowling leagues and competitions should demonstrate high standards of ethics and sportsmanship. It also should promote the development of good character and other important life skills. Through bowling, important life lessons can be learned through pursuing victories, small and large, with honor.

For that reason, I will be accountable for my words and actions and promise:

- I will at all times be trustworthy, fulfilling commitments to the league, being present and on time and make arrangements so that my teammates know they can rely on me.
- I will treat all people – coaches, parents, bowling center employees, and league officials – with respect, even if I disagree with their words or actions.
- I will play and compete with class, be a good sport and will compliment outstanding performances, whether they are by my team or an opposing team or individual.
- I will engage only in respectful conduct on the lanes. I will avoid using profanity, obscene gestures, offensive remarks, trash-talking, or other actions that put down other individuals or the sport of bowling.
- I will exercise self-control and avoid excessive anger or frustrations, even when I am not bowling as well as I think I can.
- I will participate in this sport according to the rules.
- I will help my teammates to participate and compete to the fullest of their ability, providing positive encouragement when necessary.
- I will report any unsafe or dangerous behavior to a coach, parent or league official as needed.

- I will always try my best to succeed, knowing that success is not determined through victories, but in making efforts to improve my bowling game and in having fun with my teammate.

- I will recognize and show appreciation for outstanding performances, whether by my child, their teammates or an opposing team
- I will encourage my child to show appreciation for other's outstanding performances
- I will reinforce all safety rules set forth by the league officials and bowling center
- I will be a positive role model through my behavior at all times during league sessions
